

# Curriculum Vitae

Ivan Novikov

i.novikov1998@gmail.com

## Education

- 2021–...: PhD in Mathematics, Université Paris-Dauphine
- 2020–2021: Master 2 in Optimization, Université Paris-Saclay
- 2016–2020: B.Sc. in Mathematics, National Research University Higher School of Economics (Moscow)

## Publications

- Ivan Novikov, *Cutting Polygons Composed of Equal Rectangles into Similar Rectangles*. Math Notes 110, 726–731 (2021). <https://doi.org/10.1134/S0001434621110092>
- Ivan Novikov, *Feynman checkers: The probability to find an electron vanishes nowhere inside the light cone*. To appear in Reviews in Mathematical Physics. <https://doi.org/10.1142/S0129055X22500209>

## Scholarships

- 2020-2021: Sophie Germain Master's Scholarship (FMJH)

## Skills

**Computer skills:** C++, Python, Wolfram Mathematica, Matlab, LaTeX.

**Language proficiency:**

- English: fluent;
- French: average (reading: good, listening: average, writing: below average, speaking: bad);
- Russian: mother tongue.
